

Description

Crest PAC-4 is a white, slightly yellowish powdered cleaner designed for steam cleaning, hot or cold high pressure cleaners, mopping floors, mechanical floor scrubbers, and general purpose cleaning of heavily soiled surfaces. Crest PAC-4 can be used on all ferrous metals when used at recommended dilutions, from cars to heavy construction equipment and concrete floors.

- » Powdered cleaner is easy to use, readily mixes with cold water.
- » Versatile: Can be mixed to meet different cleaning needs.
- » Built in water conditioner reduces scale build up.
- » Free rinsing: leaves no hard water deposits.
- » Free of heavy metals, chelates, and resin soaps.
- » Material is biodegradable.

Specifications

This product meets or exceeds all qualifications for the following:

- » MIL-Spec A-A-59133 Type I, which supersedes P-C-437B Type I

Method of Use

- » **Light Duty:** Use 1 ounce of PAC-4 per gallon of water to remove mud, road oils, and insects commonly found on cars and trucks. At this concentration no harm is usually done to nicely painted surfaces. Do not apply to painted surfaces if the concentration is higher.
- » **Medium Duty:** Use 2-4 ounces of PAC-4 per gallon of water to clean 5th wheels, running gear, engine blocks, and light duty floor cleaning. It will remove most heavy greases, oils, and asphalt at this concentration.
- » **Heavy Duty:** Use 6-16 ounces of PAC-4 per gallon of water to clean heavy construction equipment, railroad equipment, and heavy floor cleaning in mechanical floor scrubbers, loose rust and loose paint. At this concentration it will remove light, flaky rust.
- » **Rinse:** Rinse well with cold or hot water.
- » **Storage:** Store in dry area with container cover tightly closed.

Caution

Avoid contact with skin, eyes and clothing. Protective clothing such as face shields, rubber gloves, aprons and boots should be worn when handling this material. Refer to product label and material safety data sheet for additional precautionary and handling information.

Packaging

PAC-4 is packaged in 125 pound kegs and 450 pound drums.
